Car Park Entrance

If you are driving toward the west along Moorhouse Ave, please turn left into the carpark.

If you are driving Deans Ave or Blenheim Road the safest way to access Davis Ogilvie is via Detroit Place. Detroit place can be accessed from the Dean Ave/ Moorhouse Ave/ Belnheim Rd intersection. From Detroit place, follow the driveway behind several buildings until you reach the Ricoh building.

Customer parking is available close to the main door (shown in orange). There is additional parking toward the back of the building labelled 'Davis Ogilvie' (shown in yellow) which may also be used. Please do not park in the Ricoh parking.
